Subject: Job Well Done

Good Morning

On the afternoon of Friday, November 19 I witnessed one of your officers execute an arrest. The incident took place at [REDACTED]

I do not know her name but I wanted to share with you how professional she was and how impressed I was with her actions. She remained very calm throughout the whole arrest procedure even though the person being arrested was resisting, cursing and yelling at your officer. Your officer successfully subdued the arrestee and placed her safely in a squad car.

She then turned to my neighbour and myself and apologized for what we had witnessed. She also assured us that there was no reason to be alarmed and we were safe.

A job well done and thank you for the great service you provide to our community.

Katie Laporte
