Good afternoon,

I am not sure the names of the police officers that came to check on me very early this morning (Sunday February 28) on Main/McIntyre east. I had mistakenly activated the emergency SOS on my phone. I'm completely mortified and so very sorry to have wasted their time, however am I very grateful and comforted that they took the time to ensure my safety. It is nice to know that this feature is accessible!

Again, I thank the officers so being kind and courteous, and I am very sorry again for my mistake.

Sincerely,
Natasha Straiton
