Chief Tod,

A number of your personnel attended the fire at 135 Worthington Street West this morning. I cannot begin to tell you how much that their cooperation and assistance helped us to manage the incident. A fire in a high rise in a building filled with seniors has the potential to be a nightmare for responding firefighting personnel.

Your Officers were incredibly helpful to the fire crews and compassionate to the residents that required evacuation. The response would not have been nearly as effective without their cooperation and assistance.

I thought so highly of their efforts this morning that I wanted to formally recognize your Officers in writing. I am hopeful that you will include copies of this letter in their respective personnel files.

You have a caring and competent group of Officers and, for last their efforts last night, we offer our sincere gratitude.

Mental Health Related Calls with Mobile Crisis Team (MCT) Involvement

| MCT Total Number**** | Dispatched | NOT Dispatched | Reportable | Non-Reportable | Dispatch Time (Hrs) | Hospital Time (Hrs) |
|----------------------|------------|----------------|------------|----------------|---------------------|---------------------|
| 67 | 36 (53.7%) | 31 (46.3%) | 56 (83.6%) | 11 (16.4%) | 126.9 | 60.1 |

Note: This report includes all incidents which were deemed to have a mental health component based on dispatch type, occurrence type and/or UCR classification.
 * This section provides an aggregation of UCR Classification types, where MHA refers to calls which were classified 'Mental health act' and MHA Other refers to calls classified as Police Assistance (POL1-POL7) where each was operationally defined as having a mental health component by the North Bay Police Service.
 ** Incidents falling under 'Not MHA' were either not classified or were not given a mental health related UCR code.
 *** This section provides UCR Classification types related to Mental Health only. Incidents may have one or more UCR label assigned. For that reason, the total percentage value will not be 100%.
 **** Calls for service with Mobile Crisis Team involvement were extracted based on having an 'MCT' code under Occurrence ID in Niche and by having the Mobile Crisis car dispatched to a call.
