Greetings Chief Tod

Recently Cst. Russ Moyer made a referral to our organization involving a sudden death investigation. We were asked to reach out to the Personal Support Workers of the deceased. Upon meeting with BS one of the PSWs he shared with our team his appreciation for the actions of Cst. Moyer. He asked us to thank the Officer and recognize him for being "all around amazing, and exceptionally nice which made it a better experience considering the circumstances".

Victim Services of Nipissing District is grateful for our partnership with North Bay Police Service and the actions of Cst. Moyer only serve to improve this relationship. Our organization is able to do its work best when we receive prompt referrals and we are supported by the professional and empathic Officers such as Cst. Moyer.

Kind regards,

Hello

I just want to thank the police officers who helped at the incident on Gertrude on May 17 at around 7pm. Constable McIntosh and Constable Kleiwer saved myself and my dog from a horrible outcome. I want to thank them for saving me. I have never been so scared in my life. The actions that led to the death of the other dog were tragic, but without the two constable's action I feel the outcome would have been more tragic.

I know that the other dog being killed is difficult to deal with but I feel without their intervention my dog and I would have been very injured. Instead we got to walk home to our family.

I realize that they put themselves in danger to come to my assistance, I am grateful. The horrible outcome of the whole event could have been much worse without your bravery and quick action.

Thank you very much for your help during and after the attack,

Marilyn Bailey

Good Morning

Great work by Constable Reaume speaking at the University on the dangers of Fentanyl and Opioid addiction. The conference was focused on safe supplies and harm reduction.

Constable Reaume has done an admiral job in his fight against drug use and addiction and truly represents the core values of the NBPS.

Good morning Inspector Warner,

I just wanted to say thanks for allowing Brad Reaume to speak at the recent conference held on opioid education at Nipissing University. The response from those attending and members of the organizing committee was overwhelmingly positive. I would also like to add that after my 23 years at the Ontario Police College and listening to numerous presentations and speakers I can honestly say that Brad ranks as one of the best speakers I have known. I believe he is truly a asset to the North Bay police service and to the community of North Bay.

Thanks Darlene, I appreciate that!!☺

I just received confirmation this date and time works for our local athletes.
After talking with Merv Shantz, he volunteered to look after food donation, or possible discounts.
I've sent Jane this information to invite our retirees to the BBQ!!

Attached is a Board Contingency Fund Form (not sure if this form is still current), asking for \$200 to purchase supplies, burgers, hotdogs, buns, condiments, cold drinks. The same request will be going to our Police Association.

Right now I'm trying to get ready before holidays next week.
I'm back to work on June 1st and we can get together then to finish planning and tasking.

Hi Chief Tod

Since 2016 , Tour de trout has been raising funds for the Strong kids campaign (\$25,000) .

Tour de trout is a fundraiser designed for avid lake swimmer , they swim the contour of Trout Lake (47km) while enjoying the camaraderie of likeminded individuals.

The YMCA Strong Kids campaign is an annual fundraiser that helps families in our community access financial assistance to participate in Y programs.

In 2019 Tour de Trout had 64 swimmers, from 9 years old to 75 years young, 38 kayakers, 12 land shuttlers, two land coordinators , 28 dock hosts participating in the 20 sessions

Two members of the North Bay Police Force did volunteer in 2019 . One kept our swimmers visible with his canoe and the other shuttled the swimmers to and from the swims.

With Covid health protocols in place , we were fortunate to organize at the last minute , a Covid 2020 Tour de trout as well as a Covid 2.0 tour in 2021

The 2022 Recovery Tour de Trout will commence the first week of July.

Beside ensuring participants enjoy their swims , appreciate our clean calm Lake and our dock host , our goal for 2022 is to raise \$10,000.

We would appreciate any contribution the North Bay Police Service Board deems appropriate for our cause

April 12, 2022

North Bay Police Association

Dear Police Association,

For more than 100 years Scouting has brought a world of adventure, outdoor experience, friendship, and fun to youth in city of North Bay. Even through the last two years, the 50+ youth in our group have been able to participate in various activities within Scouting and in our local community.

For the last year a group of youth (11) and adults (8) have been planning a trip to Finland to attend FinnJam 2022. This event is hosted by the Guides and Scouts of Finland and takes place this summer from July 15th to 23rd and there are already more than 13,000 registered for this international event. This week-long camp will allow the youth to meet other Scouts, form new connections, participate in amazing activities, and learn about global cultures.

This letter is to formally request a donation for the group travelling to this event. The youth that are attending this event are excited, not just to be travelling overseas to a different country and continent, but also to meet amazing new people, have new adventures and create memories, which is one of the strengths of the scouting movement. For everyone involved this is truly the experience of a lifetime.

If you would like to speak to me regarding this request, I can be reached at 705-476-1381 or alternately jcarson27@hotmail.com. I look forward to hearing from your and would like to thank you in advance for your consideration.

Yours in Scouting,

Julie Carson

Murray Northrup's Memorial Golf Tournament

North Bay Police Service
Attn: Scott Tod, Chief of Police
135 Princess St. West
North Bay ON PIB 6C2

Dear Chief Tod:

My name is Krista Northrup and on Saturday July 23, 2022 we will be holding the ***Murray Northrup Memorial Golf Tournament*** at Osprey Links Golf Course (Callander). With your help we will be able to raise money towards ***The PTSD Fund in Honour of Muzz***.

My father, Murray Northrup was a police officer for over 37 years and suffered from PTSD which eventually led him to take his own life on July 19, 2017. ***The PTSD Fund in Honour of Muzz*** was created to raise awareness for PTSD and suicide prevention.

The amazing support and generosity of local businesses helped us make the First and Second Annual Murray Northrup Memorial Golf tournaments a huge success. Unfortunately, Covid did not allow us to have the tournament the last two years. Covid affected everyone and placed extreme hardships on businesses, big and small. This year we are approaching local businesses to sponsor a hole. For \$100 your business name/logo will be placed at a hole during the tournament. We are asking for your help to make the Murray Northrup Memorial Golf Tournament another great success. Please consider making a gift today in support of this special cause that is so near and dear to my heart. ***The PTSD Fund in Honour of Muzz*** has already been put to good use by helping Badge of Life Canada, I've Got Your Back 911 as well as other organizations within our local community.

If you are unable to provide support through a monetary donation, items for silent auction/raffle would be greatly appreciated and beneficial to the success of this event.

Your support will not go unnoticed and all donations will be acknowledged the day of the tournament as well as afterwards.

Please find enclosed the sponsorship form as well as a flyer with the details of the golf tournament. We would love for you to enter a team and join us for a fun filled day for a great cause!

On behalf of ***The PTSD Fund in Honour of Muzz***, thank you for helping us help others. Any questions or concerns please call: 705-493-1870 or e-mail theptsdfundinhonourofmuzz@hotmail.com

Dear Crime Stoppers Supporter,

Near North Crime Stoppers is very pleased to announce that we will be hosting our 24th annual Golf Tournament this year at Highview Golf Course on Friday August 26th.

Crime Stoppers is a non-profit organization which provides rewards and a guarantee of anonymity to citizens who help solve crimes in their communities. Over recent years, Crime Stoppers has proven very successful in the Nipissing and Parry Sound districts. Funds raised go directly to pay tipster rewards and promote the Near North Crime Stoppers program.

Recognizing the importance of this program, several businesses have sponsored a hole each year. The cost for this is \$150. Alternatively, the committee also welcomes donations for prizes and our very popular silent auction table. In recognition of your commitment to Crime Stoppers, a poster, with the name of your business will be displayed at the golf tournament.

If your business or organization would like to help keep Crime Stoppers active within our region, please make your cheque payable to: Near North Crime Stoppers and forward to: Box 382, North Bay, Ontario, P1B 8H5 or e-transfer to kim@nearnorthcrimestoppers.com

Please feel free to contact us at any time should you have any questions or concerns at 705-497-5555 ext. 507

Note: This report includes all incidents which were deemed to have a mental health component based on dispatch type, occurrence type and/or UCR classification.

* This section provides an aggregation of UCR Classification types, where MHA refers to calls which were classified 'Mental Health Act' and MHA Other refers to calls classified as Police Assistance (POL1-POL7) where each was operationally defined as having a mental health component by the North Bay Police Service.

** Incidents falling under 'Not MHA' were either not classified or were not given a mental health related UCR code.

*** This section provides UCR Classification types related to Mental Health only. Incidents may have one or more UCR label assigned. For that reason, the total percentage value will not be 100%.

**** Calls for service with Mobile Crisis Team involvement were extracted based on having an 'MCT' code under Occurrence ID in Niche and by having the Mobile Crisis car dispatched to a call.
