Subject: 2022 Motorcycle Ride for Dad

Sir,

As you are aware, Motorcycle Ride for Dad (MRFD), is a National group that has been raising funds in support of prostate cancer research and awareness. Over 15 years ago members of the Ottawa Police Service started the MRFD organization. As such, they made it mandatory that any community hosting a MRFD event could only do so with the support of their local police service. Therefore, since 2008 the Nipissing MRFD chapter has not only benefitted from the support of the NBPS, but the participation of our members. Some of us are committee members, while others are volunteers and/or participants in the motorcycle ride itself. As always, it will include a parade through the North Bay waterfront, followed by a poker run and closing with a supper. This year the event will be held at the main campus of Canadore College/Nipissing University.

As you are aware, the COVID pandemic has halted many fundraising events and ours was no different. We are pleased to be able to move forward with an event this year.

As a committee member, I would like to thank you and the Police Services Board for the \$250.00 donation that has been received annually over the past several years. However, the financial support is not all that we appreciate, as the assistance from the patrol section during the parade is extremely important to us. As well, the NBPS members, family and friends who participate in the ride or donate pledges is something that has not gone unnoticed.

I am seeking the authorization to use my NBPS email to reach out to our members and the group of community volunteers that have previously provided their support.

This year's fundraiser, in support of prostate cancer awareness and research, is being held on Saturday June 18, 2019. The MRFD committee would appreciate it if you would bring our request forward at the next NBPS Board meeting, with respect to a donation for this year's ride.

Respectfully submitted,
