Subject: Thank you

The staff and families from EarlyON would like to thank you for attending and being such an integral part of our annual Safety day event. The exposure to community partners and their roles in the community is so important for children in order for them to feel a strong sense of "safety" and belonging. We received so much positive feedback about what an amazing experience this event was for their children. Cst. Sue Solman was amazing, the families really enjoyed interacting with her 😊

Once again, thank you for your time and we look forward to seeing you again next year.

Subject: October 2021 Incident

Good morning,

This is a late and overdue email. In October, my daughter decided to go for a late-night stroll by herself. She was six. A neighbour called the police and brought her home to me. I want to thank the two officers who brought her home safely. They showed sensitivity and kept things light in a very alarming and serious event. They also advised me to get a chain lock that she cannot reach. I installed it the next day; it provides me with peace of mind when we sleep.

I didn't get their names, but I want to extend my gratitude and I want to thank them for the amazing job that they did. I always teach my daughter how the police are here to protect us, and we have a great appreciation for all that you do.

Thank you,

Hello,

Maxine responded to a call on Thursday Jun 16th at the NBRHC, Inpatient Medicine D3 to help the staff with an escalating patient [REDACTED] that was making verbal threats and acting out physically. Our After Hours Manager, security, and nursing staff were having a hard time de-escalating him. Maxine de-escalated the situation with ease "She was AWESOME!". The patient was later discharged without any further challenges.

The team and I wanted to recognize Maxine for a job extremely well done. Thank you so much Maxine and NBPS for the work you do, especially keeping our staff and patients safe 😊

This is just a quick thank you email

I just wanted to send an email with regards to an exceptional job and support I received from one of the officers with the North Bay Police , I just wanted to give recognition to Jesse Mastrangelo, I had a domestic violence situation and he was absolutely supportive and showed great empathy in such a time of vulnerability and crisis. I wanted to send a quick email just stating he went above and beyond and was able to assist me in such a challenging situation.

It made a huge difference to have someone who has compassion and empathy. Thank you to the NBPD for all the hard work you do for our city! I know it's a challenging job and your work does not go unnoticed

Regards

From a grateful citizen of North Bay

Chief Tod:

Words will never be enough to express our sincere gratitude to all the Members of The North Bay Police Service for their efforts in locating Tina.

From the visible boots on the ground, the countless hours spent by Investigators and Civilians behind the scene, the co-ordination of extra resources you pulled together and managed (Baysar and OPP,) to the extra workload that had to be picked up by Patrol Officers while precious resources were diverted, all contact and interaction was extremely professional, efficient and compassionate.

A special thank you D/Cst. Seth Dinsmore and D/Cst. Eric Krmpotic for their professionalism and compassion when dealing with the family and to Cst. Scott Berry for the time he took to reassure us of the relentless "all-hands on deck" attitude that was being put forward and maintained by the Police Service. That went a long way in helping us move forward and stay focused when we were feeling so overwhelmed and unorganized. It was only 26 hours but it felt like an eternity.

You may or may not be aware that some North Bay Police Service Retirees also stepped forward and quietly searched for Tina. Their dedication to serving their Community as Police Officers continues long past their Retirement.

We will be forever grateful.

Sincerely,

Re: Annual Torch Run for Special Olympics

Thank you for the \$250 cash donation on behalf of the North Bay Police Services Board. This donation assisted with the purchase of supplies for our Annual Law Enforcement Torch Run for Special Olympics. Special Olympics unifies, empowers and celebrates the abilities of children, youth and adults with Intellectual Disabilities.

Our event was held on June 20, 2022. The weather was perfect and we had over 100 participants attend. From the BBQ, T-shirt sales and donations from the community we raised \$2225 for Special Olympics Ontario. All funds are directed into program support and help with expenses including games travel, accommodations, meals, staff support, and athlete training. Thank you for your continued support of our Special Olympians.

Sincerely,

I never got any names, but I would like to thank each of the police that worked on the search and rescue at Trout Creek lake. [REDACTED] and I are incredibly grateful to have been taken such good care of during the most horrifying time of our lives. You guys did everything you could, so did we. Just wanted to thank you and let you know that we'll be okay. Everything heals with time, but we appreciate every single person that was there that night, without you we may not have made it out.

With Love,

Dear Chief Todd,

On Friday the 26th of August, about 16:25, I was at the Transit Terminal on Oak St. and witnessed a young police officer approach a homeless man who was using the bench beside me as a bed. The police officer called him by name [REDACTED] and talked with him in a calm voice about not staying on the bench. He was familiar with the man. He offered to drive him somewhere else and the decision was to go to a shelter. I was so impressed by this young man that I wanted you to know that you have a very professional officer in the force. I wish I had asked for his name.

Sincerely,
