Mr. D. O'Connor, Chair

the North Bay Police Services Board

Subject: NBPS Civilian Police Academy

Recommendation: Information Item

The North Bay Police Service mission states "through strength in our members and collaboration with our community partners, the North Bay Police Service provides progressive and responsive policing to our public."

As part of our ongoing efforts to meet with and work in conjunction with our community we are running our first "Civilian Police Academy". The intent of the program is to provide individuals with a professional or personal interest in community policing with an opportunity to acquire knowledge on various aspects of policing.

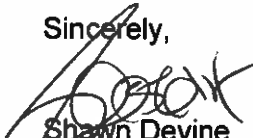

We are looking to our community service groups and our local media to participate in the inaugural academy in order to effectively solicit feedback on the academy for future improvement. We know these two groups already have a commitment to North Bay and Callander.

The academy is scheduled to start in January of 2019 and will consist of 6 sessions, one per week, with each session being 3 hours in duration. We will cover multiple topics and services that we provide in hopes that it opens dialogue and provides the people we serve with an insight into how policing is accomplished today while providing a window into its future direction.

I would like to extend my thanks to Special Constable John Schultz the NBPS Community Safety Coordinator for his work on creating and organizing this excellent community reach. Special Constable Schultz will be the point of contact for individuals interested in registering for this program.

I invite any questions or comments from the Board.

Sincerely,

11 DEC 2018

DATE

On Friday May 18th, 2018, the North Bay Police Service received a complaint about a male entering a local residence and threatening the occupants with a weapon. The police had previously dealt with the male on several occasions; most calls were related to mental health and substance abuse.

Prior to police arrival, the male fled the scene. After speaking with the victims, the officers determined that there were reasonable and probable grounds to arrest the male suspect for multiple criminal offences.

On Saturday May 19th, 2018, the North Bay Police Service received information that the male suspect was walking in the area of Algonquin Avenue and the Bypass. Constable Hampel, of the North Bay Police Service, located the male near Greenwood and Algonquin Avenue. Constable Hampel exited his police cruiser and told the male that he was under arrest. When Constable Hampel attempted to handcuff the male, the apprehended male became actively resistant and assumed an aggressive stance towards Constable Hampel, who was alone. The suspect then ran towards Greenwood Avenue.

Constable Hampel ran after the male, caught up to him and attempted to gain control and arrest the male person. The male became very aggressive and assaulted Constable Hampel by delivering several punches in an effort to evade capture. A struggle between Constable Hampel and the male resulted in the two wrestling in a ditch.

Andy Gagne, a Principal with the Near North District School Board, observed the altercation as he drove down Greenwood Avenue. He immediately stopped his vehicle and rushed to the assistance of Constable Hampel. With great effort, the two were able to gain control of the violent male and Constable Hampel was able to restrain the violent male person with handcuffs. At this point, other members of the North Bay Police Service arrived and assisted Constable Hampel in completing the arrest procedure.

Following the arrest, the man was searched and an 8 inch "Buck" style knife was located inside his pants pocket. Due to carrying this concealed weapon and the incident with Constable Hampel, the male was later charged with Carrying a Concealed Weapon, Escape Lawful Custody and Breach of Probation in addition to the earlier criminal charges from the 18th of May incident.

Mr. Gagne's swift response to assist Constable Hampel was instrumental in the arrest of this male. His assistance and ability to control the male's arms allowed for Constable Hampel to effectively handcuff the male and gain control of the situation; his assistance prevented any injuries from occurring to either the officer or the male.

Mr. Andy Gagne has been a teacher for 22 years. For the past ten years, he has worked as a Principal for the Near North District School Board. Mr. Gagne has been with his caring partner, Julie Beaudoin, for 12 years.

Throughout his career, Mr. Gagne has developed a strong relationship with the North Bay Police Service. He has worked closely with both the police and other community partners to ensure that his students receive the very best services offered in North Bay.

The quick thinking and brave action of Mr. Gagne, in May, is just one example of his dedication to our community and his commitment to supporting other people in need. Mr. Gagne is a consummate professional and a man with a big heart. He is always willing to help and has a history of stopping at accident scenes to render first aid.

Mr. Gagne said that he wanted to assist the North Bay Police because he knew that in any other circumstance they would help him.

Today, the North Bay Police Service and the North Bay Police Service Board would like to formally thank Mr. Gagne.
