Board Report

Date of Report: October 05, 2017

Date of Meeting: October 10, 2017

Chair Mr. D. O'Connor
and Members of the North Bay Police Services Board

Subject: September Report – The Gateway Hub

Recommendation: Information Item

Please find attached a report submitted by Ron Whitmer, Chair of Community Mobilization North Bay and the Gateway Hub. In his report, Mr. Whitmer advises that local EMS have now joined the situation table. We welcome their participation in this worthwhile community partnership. The number of situations that came forward at the Gateway Hub in September is 9. This makes a total of 98 discussions of acutely elevated risk being brought to the table since the beginning of the year.

Mr. Whitmer also highlights a meeting with the Nipissing Service Collaborative. This group is developing a model for service providers and clients to access service information. The model may become an app which would allow service providers better access and to make connections for clients. In addition, the public will be able to access information about specific services provided in the community. We look forward to this initiative taking form. Community Safety and Wellbeing is a share responsibility.

I invite any questions or comments from the Board in relation to this report.

Sincerely,

Shawn Devine
